

Welcome to Italy

ONLY FOR PEOPLE COMING FROM THE UKRAINIAN TERRITORY WHO INTEND TO STAY IN THE FRIULI VENEZIA GIULIA REGION

We would like to give you some important information for your stay and invite you to regularise your presence as soon as possible in order to have access to healthcare services as soon as possible.

We have provided a Reception Centre
at Ente Fiera, Via della vecchia Filatura 10, Martignacco (UDINE).

where you can:

- Take the Covid-19 test swab 24 hours a day, as this is necessary in order to use all public transport and have access to reception facilities
- Stay overnight if arriving at night
- Receive the STP code (temporarily present foreign person) for free access to all urgent and essential healthcare, including vaccinations (anti-Sars-Cov-2 and other vaccinations, if necessary)
- Receive all the information needed to manage any health needs from health personnel
- Access the territorial reception system in case of accommodation needs
